It would be difficult to find an artist as creative, as successful, and as stubbornly true to himself as *Merle Haggard*. In between his hits, he made albums that paid tribute to the musicians who influenced him. He blended elements of jazz, rock, blues and folk music into his arrangements, while staying true to the traditions of country. No matter what the current fashion of the moment is in music, *Merle Haggard* always goes his own way.

A limited quantity of tickets is available to show participants on a First Come, First Serve basis. See Registration Form below.
