

1st Annual Great British Swap Meet

March 13th, 2010

Sponsored by:

**Classic Jaguar
Association**

The Classic Jaguar Association has enjoyed a long history of holding a small, convivial swap meet for members and friends. This year we would like to open up this unique event to owners, enthusiasts, and vendors of all classic British marques. Many of our members belong to multiple car clubs, and our Jaguar motorcars share with other British marques a common bond with many interchangeable parts, tools, etc. Let's all clean out our garages, bring our old parts as well as our wish lists, and make this a truly unique event. CJA will provide coffee and donuts.
