Momentum 2016 Car Show to Benefit **FOREVER FOUND**

The aim of **Forever Found** is not only to rescue and restore thousands of children from modern slavery, but also to address the underlying causes of child trafficking. Their mission is to rescue 1 million children from slavery.

While only 5 years old **Forever Found** is recognized as one of the leading authorities on human trafficking throughout Los Angeles, Ventura and San Luis Obispo counties. They work with the Ventura Police Department, the Sheriff's Department and other law

enforcement agencies including Ventura County Supervisors, educators, individuals and other civic and private organizations. They partner with rescue/safe homes in California, Oregon, Arizona and in several countries. There are approximately 300,000 young children in America at risk of being trafficked in the sex industry.

Help us be part of the solution. Register today and come out for a fun day of great cars, music, vendors, food and giveaways. Through your registration you will help support this great charity, **Forever Found**.
