Proceeds Support The Samaritan Center of Simi Valley

Since 2005, Valiant Men Ministries of StoneBridge Community Church has hosted their Annual Car Show, raising thousands of dollars for various organizations each year that effect people's lives, both locally and nationally. This year we are proud to help again locally by supporting The Samaritan Center of Simi Valley.

THE **MISSION** of the Samaritan Center is to assist the homeless and near homeless by providing services, resources opportunities and hope.

The Samaritan Center is a daytime drop-in that has been providing on-site services since 1994. Serving approximately 200 clients per month, six days a week, this public center is the only facility of this kind in Simi Valley.

To learn more about their services, or how you can help, go to: <http://www.thesamaritancenterofsimivalley.org>
