(please see reverse to complete registration) Flyer downloaded from [www.SoCalCarCulture.com](http://www.SoCalCarCulture.com)

*What would happen if a star fell down each time a child poked his finger to test a blood sugar....the sky would be empty. What would happen if the sun went dimmer.... the world would be dark. What would happen if a raindrop fell each time a carb was counted... .. the earth would be flooded.*

*What would happen if each child heard "we found a cure?" their smiles would put more stars into the sky, more light into the day, and the oceans and rivers would sparkle!*

*We invite you to participate with "Collins Cruisin' for a Cause" to help us find a cure.*

Hope for a Cure Guild  
Tax ID #95-4831087

In 2002, Hope for a Cure Guild and Whittier Presbyterian Intercommunity Hospital joined together in an effort to outreach community awareness of Juvenile Diabetes. Collective objectives include; fundraising to contribute towards research, education and to assist other organizations such as "Care Force One"; a mobile health clinic in this endeavor. Through your support we can sustain as a major sponsor for Juvenile Diabetes Research Foundation International's Annual Walk-a-Thon held each October.

Your generosity, awareness and support, enables "hope" a reality and provides the necessary help needed to cope with the challenges associated with the disease until a cure is discovered.

**Ways you can participate:**

**as a cruiser for a \$25 donation**

*\*cruiser benefits are listed on the front of this flier*

**as a vendor with a 10 x 10 booth for a \$50 donation**

*\*vendor time is 11am to 2pm, vendor provides a pop up and display needs*

**or as an event sponsor to help underwrite expenses.**

*\*sponsorship packages include a variety of advertising benefits and your charitable donations under Federal tax charitable guidelines.*
