

California Healey Week 2014 will be held at the seaside village of Morro Bay, which is a picture-perfect getaway for travelers seeking outdoor adventures and a gorgeous natural setting. Located along scenic Highway 1 midway between San Francisco and Los Angeles, Morro Bay is easy to reach and hard to leave.

Morro Bay has a busy harbor and active fishing industry. It is known as the place in San Luis Obispo County to savor local seafood, including local oysters and fresh salmon. Surrounding farms and vineyards yield a bounty of outstanding food and wines served with flair at Morro Bay's renowned harbor-view restaurants. For many, it's the antiques, shopping and browsing the art galleries that pulls them in. Of course, capping it off is Morro Bay's friendly, laid-back style - a warm and welcoming backdrop to the vacation of your dreams.

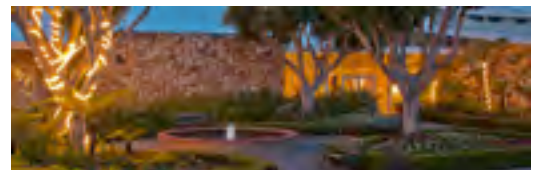

There are many interesting things to do in Morro Bay during your open time, including ocean-side golf, kayaking, sailing, hiking, fishing, surfing, biking and miles of unspoiled beaches. Mix in the popular shopping districts, enticing restaurants, art galleries, museums, aquarium and a warm, friendly atmosphere makes Morro Bay the perfect escape.

CHW will be headquartered at the Inn at Morro Bay, <http://innatmorrobay.com/>. The Inn's Cape Cod-style

buildings overlook picturesque Morro Bay, with 4,000-acre Morro Bay State Park as a backdrop. The 98 lodging accommodations in Morro Bay are finished in California

Contemporary decor. The hotel has been recently renovated and offers free wi-fi in all guest rooms and meeting rooms.

California Healey Week 2014 is hosted by the Austin Healey Association of Southern California. Each year, CHW is held in a seaside, mountain or desert location in Southern California. This year, we celebrate our 40th anniversary by returning to the location of our first annual event in Morro Bay.

The primary reason for CHW is to gather together Austin Healey enthusiasts and celebrate these classic sports cars.

The event will be held between **May 28th and June 1, 2014**,

and a fun-filled program is planned. We welcome Austin Healey owners from throughout California and beyond. Below is a tentative schedule. For the latest program updates and to get a registration form, see www.austin-healey.org.

Wheels are fitted to the rocker cover and the cars are raced side by side on an inclined track. An official set of rules must be followed regarding the construction of the cars (using either four or six cylinder Healey covers). Two cars race side by side to the finish line, much like a drag race. Multiple elimination heats are conducted until an undisputed winner is determined.
