

We're Back!

Tired of competing with plastic "1932" Fords with five foot tall chrome engines? So are we.

The Orange County Region of the *Antique Automobile Club of America* presents...

ALL AMERICAN ORIGINALS

6th Annual Invitational

The Car Show for Owners of Original, or Restored-to-Original Pre-1977 Automobiles

Sunday

June 12, 2016

Setup: 7:00 am to 9:00 am

Awards Ceremony: 2:00 pm

Enderle Center

(17th & the 55 in Tustin)

Low, rakish and streamlined. Extra wide, extra safe. Fleetly styled with luxurious riding comfort! The lowest look of them more room than any other. The centre of attraction wherever you go! Outstandingly in a class by itself. Take a good look at the smart lines, and you'll realize the designers have scored another hit! We build cars one way, the quality way. The destination of a personal car, yet seats beautifully long and windows and doors.

If you appreciate classic and vintage automobiles, unmolested and as they came from the factory, this is YOUR show. We welcome original, and restored-to-original cars and trucks of all makes and models. All we require, is that the vehicle appear with the correct stock equipment, interior, wheels and tires, engine and running gear. In other words, if you enter a 1932 Ford, it needs to *be* a 1932 Ford – *not* a 2011 chassis with a 500 hp engine encased in a fiberglass shell in the *shape* of a 1932 Ford. This show is for *real* vintage cars.
