All American Originals Car Show Fiends

Re: All American Originals Car Show Cancellation

Dear Friends:

Due to unexpected circumstances the show committee has voted to cancel the All American Originals Car Show this year which was set for Sunday, June 21, 2015.

While we all have enjoyed bringing this special event to you for the past five years, we will be taking a break this year for a variety of reasons. However, we plan to continue on with the show next year as we really enjoy getting together and spending the day with each of you and your wonderful vehicles. **If you have sent in your registration, don't worry, we will be returning everyone's payments and registration forms shortly.**

The Orange County Region of the AACA is planning on hosting a picnic in the fall so we all will still have an opportunity to get together this year. Stay tuned for more info in the coming weeks.

Each of us truly appreciates the support all of you have shown for the All American Originals Car Show and thank you for your participation at each of the past five shows. Until next year, please continue to enjoy the ride!
