

Simply the damn finest Grand Classic[®] ever...

Join with the Southern California region and over 100 cars on the green at exclusive Lacy Park in San Marino CA, Saturday July 11th 2009 for a truly unique Grand Classic.

Lacy Park has been referred to as a “hidden jewel of the west”, “...like a small, private Golden Gate Park”, and “the best kept secret in Southern California”. A 30-acre private municipal garden, Lacy Park is usually only open to San Marino residents and is virtually unknown outside its local environs. For the first time in its history a car show will be held on its grounds, and it is truly a unique privilege for our club & the CCCA.

Banquet to follow Saturday evening at San Marino’s historic “Old Mill”.

The Norton Simon Museum, Huntington Library and Gardens, Gamble House, Cal Tech, self guided tours of historic Pasadena, Petersen Automotive Museum, the Nethercutt Collection, and Hollywood are just some of the nearby attractions that will beckon you during your magnificent, long, family vacation weekend!

Choice of luxury and affordable (host site) accommodations available in the immediate area...

Plan ahead now! Go to socalccca.org for more details as they become available! Applications available in the April and May editions of the CCCA Bulletin, or go to classiccarrclub.org!
