

JOIN IN THE NATIONAL CELEBRATION OF COLLECTOR CAR APPRECIATION DAY ON JULY 11, 2014

What is it?

The SEMA Action Network (SAN) announced July 11, 2014 as “**Collector Car Appreciation Day**.” The date marks the fifth commemoration in what has become an annual event to raise awareness of the vital role automotive restoration and collection plays in American society. SAN is again working to secure a Congressional resolution to recognize the day’s significance.

How will it be celebrated?

In recognition of the day, thousands of Americans will gather at car cruises, parades and other events to celebrate our nation’s automotive heritage. By taking part in these events around the country, these automotive enthusiasts and related businesses ensure that their passion is honored and recognized.
