The YouthHope Foundation is a 501(c)(3) non-profit organization that serves homeless, runaway, & underserved youth in the city of Redlands, CA & the surrounding Inland Empire. Our services seek to meet these youth's critical needs by providing food, clothing, hygiene items, & medical care. Once our youth's general health is serviced we offer assistance with job searching, job training, education programs, GED tutoring, & school placement help. Our one-on-one case management allows us to encourage confidence in our youth & build trust, love, & support as we spend quality time with them individually. The services we provide enable our youth to move forward & grow into self-sufficient adults. Go to youthhope.org to find out more & read stories of street-life from our youth.
