What is the San Diego's Warrior Foundation & Freedom Station

www.warriorfoundation.com

- Providing families of the seriously injured the means necessary for them to be in San Diego at their Warriors side. This speeds recovery and helps meet their immediate needs, both medical and emotional.
- The Warrior Foundation Freedom Station has been able to provide iPads, Nexus7's, noise machines, service dogs, voice recorders, lap tops -anything that helps with short term memory loss.
- Quality of life is a priority. A kitchen, computer café, and other items have been added to the Naval Medical Center San Diego. The medically retire receive support to transition back into civilian life.
