hereafter called "The Activity," I, for myself, my heirs, personal representatives or assigns, **do hereby release, waive, discharge, and covenant not to sue** the County of Los Angeles and its Special Districts, elected and appointed officers, employees, and agents from liability **from any and all claims excepting those due to the gross negligence or willful misconduct of the County of Los Angeles and its Special Districts, elected and appointed officers, employees, and agents** resulting in personal injury, accidents or illnesses (including death), and property loss arising from, but not limited to, participation in The Activity.

**Assumption of Risks:** Participation in The Activity carries with it certain inherent risks that cannot be eliminated regardless of the care taken to avoid injuries. The specific risks vary from one activity to another, but the risks range from but not limited to 1) minor injuries such as scratches, bruises, sprains, and embarrassment, 2) major injuries such as joint or back injuries and heart attacks to 3) catastrophic injuries including paralysis and death.

**Severability:** The undersigned further expressly agrees that the foregoing waiver and assumption of risks agreement is intended to be as broad and inclusive as is permitted by the law of the State of California and that if any portion thereof is held invalid, it is agreed that the balance shall, notwithstanding, continue in full legal force and effect.

**Acknowledgment of Understanding:** I have read this waiver of liability, assumption of risk, and indemnity agreement, fully understand its terms, and **understand that I am giving up substantial rights, including my right to sue.** I acknowledge that I am signing the agreement freely and voluntarily, and **intend by my signature to be a complete and unconditional release of all liability** to the greatest extent allowed by law.
