**What is S.A.M? (Salvation Army Meals)** [Flyer downloaded from www.SoCalCarCulture.com](http://www.SoCalCarCulture.com)

Our schools do a great job of providing food to students throughout the school week. Based on feedback from local schools we were made aware that some of our children may not have enough food over the weekends and this can affect learning. At our local Salvation Army we have teamed up with the staff and teachers of five of our valley schools to help identify these students and supply nutritious meals and snacks to help meet this need. The meals are provided free of charge and are handed out on the last day of school each week. The food bags are assembled each week by volunteers and contain enough food for two breakfasts, two lunches and two snacks. During the summer months these same children are invited to attend a summer camp at the local Corps. So far S.A.M. has provided over 90,000 meals. The program is funded through generous donations from local organizations, gifts and fundraisers such as this car show. Why pay \$25.00 to enter a car show? Because that is what it takes to cover one child for a month.
