## Our Sponsors

**All Proceeds Benefit the  
Sick Baby & Hospital Assistance Fund**

Some Babies Need A Helping Hand

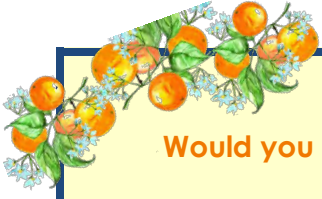

For 80 years, the Auxiliary of Pomona Valley Hospital Medical Center has worked to provide funds for the patients and programs at PVHMC. Purchasing car seats for our tiniest patients, providing transportation for parents, paying bills for families, and purchasing equipment for departments throughout the Hospital are just a few of the things we help with. Your support of this event will help the Auxiliary continue its support of our Hospital and the communities it serves.
