Shop Tours & Toy Drive for Ft. Irwin

Saturday November 14, 2015
10:00 a.m. to 4:00 p.m.

18889 Groveswood Dr, Corona, CA 92879

Inland Mopars, along with Phil & Mary Leatherman, will be hosting an open house at Extreme Automotive in Corona on Saturday November 14. At this point it is more of a meet & greet but there will be shop tours and free safety inspections provided by the National Street Rod Association Southern California Safety Rep. Food will be provided.

Extreme Automotive is the home of Wild Thang, the flame throwing exhibition street rod seen the last 3 years at Mopars in May.

The one important aspect of this event is it is also part of a larger toy drive for the kids out at Ft. Irwin, located outside of Barstow. Phil & Mary host a Christmas party in December to collect toys which get delivered to Ft. Irwin the next day. Last year Inland Mopars donated \$300 worth of toys plus toys from the individual members. This year we thought it would be a good way for the Mopar community to give back a little if we held this event as the kick off to the toy drive. All we ask is that you donate a new, unwrapped toy valued at \$10 or more.

There will also be t-shirts available. \$3.00 from every shirt sold will be donated to a toy drive fund so additional toys may be purchased. Shirts sold after this year's toys have been delivered to Ft. Irwin will have the \$3.00 put into the toy drive fund for next year. T-shirt order form is below if you would like to order prior to the event for t-shirt pickup at the event, or if you can't make it, have it/them shipped to you.

If a new toy is not in the budget, come out anyway & see what is going on. And I did mention food will be provided. Times and directions are on the flyer along with my phone number. Please either call or reply to this e-mail with a headcount so we have an idea for food.
