At the end of a long week, you & your ride deserve to rev up and wind down. Drive on over to Bob's of The West SFV. Cruise in and park. Walk in and eat. Kick back and relax. Enjoy a mass gathering of awesome rides all around you! An area of the parking lot gets sectioned-off specifically for classics & muscle cars, is well-lit & attended-to throughout the evening by a volunteer group. We only ask that ya patronize Bob's, or one of the other nearby eateries (which includes a Subway & Panda Express), during your visit as a means to encourage them to keep on supporting this cruise night. We also hope you remember to be respectful of others' safety and adhere to all traffic laws. And please, for the sake of neighborhood residents who live across the street: **no burn-outs or loud/obnoxious music.**
