

# Model T's & Brunch

Downloaded from [SoCalCarCulture.com](http://SoCalCarCulture.com)

## Hey there!

Want to grab a delicious breakfast or burger and check out a collection of cool old-time cars and trucks? Head over to Christo's Best Burgers in Anaheim (corner of Kraemer & Miraloma).

The star of the show is the Model T Ford. Built between 1909 and 1927, it's the car that put the world on wheels. It was affordable, reliable and made it possible for people to travel to visit distant relatives and tourist attractions.

The Orange County Model T Ford Club is presenting the educational display and will be on-hand to answer any questions you may have. You can also find us on "Facebook" and our website, [www.ocmodelt.com](http://www.ocmodelt.com).
