Oceanside Cruise Night

We are moving the Location for the **July 13th** Cruise Night to Mission Ave. There's more parking available and safer. We can use the Bank of America parking lot. The Mission Bar & Grill at 711 Mission will extend their Happy hour. Plus there are other great restaurants to go to. You can still stop at the 101 or Bagbys. But we think this is going to be a better and much safer venue for you the owners and your cars. If you have any questions you can call, text or email Dino Iacovino at

760-802-3811
