

OC CARS AND COFFEE

"Cars you won't see the other six days of the week"

Who we are

- All-volunteer enthusiasts make this possible – you'll find us in the red hats
- We welcome ALL enthusiasts, but limited space requires that we be SELECTIVE REGARDING CARS DISPLAYED

What we ask of everyone

- Your cooperation and consideration of others
- Recognize this is about truly special cars – seeing RARE and AMAZING cars is why we come here – this is the essence of OC Cars & Coffee
- Due to limited space and the desire to maximize the uniqueness of the exhibit lot, many nice cars will be directed to spectator parking – we ask your understanding
- If you are asked – and parking in the spectator lot is not appealing to you – we would encourage you to look elsewhere
- No unannounced caravans or groups – you will be directed to spectator parking

Cars we emphasize -- price/value is NOT a consideration

Preference is given to

- Cars 1975 and older – older cars will take precedence over newer cars
- Sports Cars, Classics, Exotics, Hot Rods
- Nostalgic/unusual – cars that draw a crowd! Cars you want to photograph!
- Cars that are not regularly seen on the roads of Southern California
- Cars that are not daily drivers

Lowest preference is given to

- 4-door cars 1975 and newer – most will be asked to park in spectator parking
- Electric/hybrid cars of any make
- Trucks, vans, wagons, SUVs

This is a NON-COMMERCIAL gathering

- No solicitation
- No dealer displays
- No product demonstrations
- No "wrapped" vehicles
- No For Sale signs
- No group food/beverage brought into the lot
- Consult with the hosts if you have a question

Please be considerate of others

- All trailers or other support vehicles must park where directed by volunteers
- Use trash receptacles
- If your car leaks oil, bring cardboard to put down – we will throw it away after you leave
- Minimize noise arriving and departing – our continuation depends upon this!
- Bring a smile and enjoy!
